

FISCAL NOTE

SB 1872 - HB 1889

March 12, 2003

SUMMARY OF BILL:

- Requires the Commissioner of Environment and Conservation to ensure that standards for subsurface sewage disposal systems treat all lots of equal size equally.
- Directs the department to suspend or revoke permits issued to persons engaging in the business of construction, alteration, extension or repair of subsurface sewage disposal systems and to persons engaging in the business of removing accumulated waste from such systems, when it is determined that the person has violated rules and regulations or when it is determined that all properties of equal size have not been accorded equal treatment.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures - Not Significant

Estimate assumes the Department of Environment and Conservation will utilize existing staff and resources to administer the provisions of this bill.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

James A. Davenport, Executive Director
